Today, making your music from sheet is easier than ever. with notation software as a final, or free web-based noteflight service, anyone can turn their musical ideas into professional music sheets. use noteflight to start (see resources). noteflight is a free web-based music notation service that allows you to write, print and also save your sheet music as music files for playback. noteflight has a clean, easy-to-use interface that also allows a beginner to create a song in the score. from noteflight allows you to listen to what you wrote, you can experiment with different notes until you create something that sounds good, even if you are not familiar with musical composition. create a noteflight account and sign in to start creating your own sheet music. You can start writing your song immediately. at the top of the page, located on a toolbar, click on "new score" to create a blank sheet music document. select whether you want your private or shared sheet music presents you with a sheet of white music in the C key with a time signature 4/4. Click "Edit Title" at the top of the sheet and type the name of your song, and then click "Edit Composer" and type your name. Make any changes necessary to the key signature or time signature in the Score menu with the command "Change the signature of time" or "Change the key signature". Add notes and rest to your sheet music by clicking on the blank music staff. A note is displayed, and you can drag and click where you want the note to appear. You can also use the floating palette to select different note durations. As you insert notes, Noteflight will automatically reform your sheet music to keep the correct number of beats per bar. To listen to what you wrote anywhere, go to the Play menu and select the play option you want. Print your sheet music when you finish composing your song. The result will be a professional score of your song composition. You can also use Noteflight to create an audio file of your composition. Noteflight allows you to assign real instrument sounds to the appropriate parts. Go to File and select Export to save your finished sheet music as MP3 or wav files. This allows you to take an example of recording to your band.
